Aman
kisko kitna dena hai?

Bot
Kisko kitna dena hai (suggestion):
• Priya → Aman: ₹416.66
• Raj → Aman: ₹16.67

Raj
ab kya karein

Bot
Ab kya karna chahiye:
• Weekly plan abhi draft hai. Dashboard (Plan tab) par approve kar do.
• Shopping list mein 21 items hain aur kisi ko lene ke liye assign nahi kiya.

Dhyan do: har dost bot se apni private chat mein baat karta hai; yahan sabko ek saath dikhaya gaya hai. Paise ka hisaab code karta hai, AI nahi. Ye app paisa hold ya transfer nahi karta, sirf likhta hai ki kisne diya aur kisko dena hai. Recipes aur nutrition abhi draft hain (expert review baaki).
